

Package ‘olinkWrapper’

March 16, 2026

Title User-Friendly Interface for Performing Quick Analysis of Olink Data

Version 1.3.0

Author Jyotirmoy Das [aut, cre]

Maintainer Jyotirmoy Das <jyotirmoy21@gmail.com>

Description Provides a user-friendly interface for performing quick analysis of Olink data using the 'OlinkAnalyze' package. It allows for data upload, parameter customization, visualization of results, and exporting of analysis outputs in a comprehensive PDF report.

License GPL-3

Encoding UTF-8

LazyData true

Imports shiny, bslib, OlinkAnalyze, tidyverse, msigdbr, plotly, viridis, writexl, lme4, lmerTest, shinyjs, DT, broom, purrr, ggrepel, patchwork, ggplot2, dplyr, umap, clusterProfiler

Roxygen list(markdown = TRUE)

RoxygenNote 7.3.3
